

To,
All Prospective Bidders for
Chhattisgarh State Wide Area Network (CGSWAN) Project

Subject: Tender document for CGSWAN and clarification on technical issues submitted

All prospective bidders who wish to participate in CGSWAN Project of Chhattisgarh, and those who have submitted request for clarification on technical issues are requested to go through the two corrigenda published on the www.chhattisgarh.gov.in and www.chips.gov.in along with the notice regarding last date of submission of bids. **The queries which have not been responded in these 'Corrigenda' are to be considered as per respective clause in the RFP** and no separate clarification will be issued.

All bidders are to note that the evaluation committee, in order to safeguard the economic interests and viability of the project has the right:

1. To ask for demonstration of any of the product(s) to verify the features and performance
2. To ask bidders to explain & clarify the methodology used by them for the computation of various line items in the bid
3. To seek clarifications and evaluate the methodology adopted for any financial or technical calculation.

Evaluation committee reserves the right to normalize any error / omission / insufficient response in the financial bid for the best interest of the state.

Bidders may also be required to provide necessary documents/authorizations from OEMs and equipment manufacturers for arrangements for support, upgrade and spares during the entire period of operations under the project.
