

CORRIGENDUM

Tender No. 18162/CEO/CHiPS/36INC/2017

Sr. No.	Bid queries	Clarification
1.	In prequalification criteria you have asked for 2.5 Crs of turnover which is very low and can allow many unorganised players to participate who may not be able to carry out your prestigious project due to lack of skills.	There is no change in average annual financial turnover criteria.
2.	As the completion time is given three months which generally consists of one month planning, raw material procurement and mobilisation. And the actual time left for execution is two months. If a vendor need to complete 8.2 crore of job in 2 months, then the minimum turnover need to be six times the work value, i.e., 49.2 crore. This is the minimum turnover that should be asked for this work.	
3.	In the modular and chairs section there are some specific make mentioned. Godrej Interio being the pioneer and the largest Furniture Manufacturer in the country, we request you to include the name of Godrej in all Furniture sections.	It is clarified that, Apart from earlier approved make, Godrej make is approved for the Modular and chair section supply
4.	It is mentioned in clause 11 of page number 31 that the running bill will be cleared on 25 th of every month but that depends upon the availability of fund. We want clarity if funds have been allocated for the project or not. And by when the bills will be paid, after submission.	It is clarified that, approved fund is available with the department for all scheduled payment after the submission.
5.	In the requirement of "seating collab" area the specification of products are not mentioned. Is there any specific specification fixed for that section.	It is clarified that, the fabric finish shall be used for "seating collab" area section.
6.	In the clause 6.18 clause, It has been written that the bidder has to make his own arrangement for water & electricity, however it is requested that chips should coordinate for the same with mall authorities.	It is clarified that, bidder has to make his own arrangement for water & electricity. However CHiPS will coordinate for the same with the concerned authorities.
7.	In collaborative seating section only one make is mentioned, is it mandatory to provide the same make or it is just for reference purpose. We have our own range and we request you to allow our Furniture Solution to cater to this area.	It is clarified that, For Interior Collaborative Seating / Soft seating, Transworld / Equivalent model collaborative seats can be proposed .The Images / shop dwgs are to be provided with tender in envelope A
8.	MEP: In cable specification – Need confirmation that witness of test for cables shall be for all side of cables or any kind of cables. –	Manufacturer cable test certificate for flexible & armoured cables to be submitted by the successful vendor along with technical submittal.
9.	MEP: UPS – Manufacturer authorization letter – can it	It is clarified that, Vendor

	submit after getting order.	should mentioned make & model no. for the item to be procured for the purpose to be proposed in envelope A
10.	MEP: In HVAC – Duct support specification – Technical specification mentioned MS angle support & In BOQ – It is mentioning Gripple. – Kindly confirm.	It is clarified that, MS angle support to be considered for false ceiling area and Gripple support to be considered for Open ceiling area.

Please read the corrigendum as below-

1. Section1 Point no 2 : Mode of selection- Stage II-(RFP Page no 8 of 269) The bidders are required to submit mock ups of the furniture as detailed here under for evaluation by a committee appointed by CHiPS, the date of submission of mockup shall be as given above in Section 1 B Key Dates.

Chips - 2nd Floor			
#	List of Items for mock up	Package	Spec. Ref No
